REACH - PRE-REGISTRATION SUCCESSFULLY COMPLETED

Adriaoil S.p.A, Milan, as the *Only Representative* for companies DIOKI d.d. and DINA-Petrokemija d.d., has successfully completed pre-registration for substances of non-EU origin that are present in OKITEN[®], OKIROL[®], DOKI[®] Polystyrene and DINALEN[®].

The substances of EU-origin that are contained in above mentioned polymers, were already pre-registered by EU manufacturers.

According to the TITLE I, Article 2, Item 9 of the REACH Regulation nr 1907/2006 of the European Parliament and the Council, dated 18th December 2006, polymers are exempted from registration obligation and therefore we have no duty to register OKITEN[®], OKIROL[®], DOKI[®] Polystyrene and DINALEN[®].

The following substances have been pre-registered:

Product	Substance	Pre-registration number
OKITEN [®]	ethylene	05-2115135741-53-0000
DOKI [®] Polystyrene / OKIROL [®]	styrene	05-2118506195-47-0000
